Overseas Investment Amendment Bill (No 3)

[NZX entity] Limited has read the submission of the Listed Companies Association Inc. (**LCA**) on the Overseas Investment Amendment Bill (No 3) (the **Bill**), particularly as it will change the way the Overseas Investment Act 2005 (**Act**) will apply to NZX listed issuers with their equity securities quoted by NZX Limited.

We fully support, and endorse, the LCA submission. We do not wish to be heard by the Select Committee in person.

Yours sincerely
